The water line at the library had a leak which Kevin and Brandon has fixed for the time being. The line is a galvanized line and seems to be very weak from what Kevin could tell, it may last 10 years or it could break again next week. The line goes under the sidewalk of which they have already taken out one section to fix the leak, and goes through the wall of the library and up into the ceiling and back into the utility room. The council discussed a couple of options that Kevin gave them and decided to check behind one section of the wall in the library to see if perhaps the line is contained in conduit. If possible the council would like wait until next spring to completely fix the problem.

Barry Marshall made a motion to set the time and dates for the year 2017 Council Meeting to the every first and third Thursday at 7:00 pm. Todd McMullin seconded the motion, all voted in favor. The motion passed.

Todd McMullin made a motion to pay the bills, Barry Marshall seconded the motion, all voted in favor. The motion passed.

The Council agreed that they would have to purchase a \$5.00 a day solicitors permit or a \$50.00 business license. Mayor Dotson would like to discuss business licenses at the next council meeting.
